

The Domes Task Force

Background

Through community engagement and expert analyses of conditions, constraints, and opportunities, The Domes Task Force will evaluate long-term options for the future of the Conservatory and its associated uses, activities, costs, and benefits. The Task Force will recommend a course of action to the Milwaukee County Executive and County Board.

Operating Parameters of the Task Force

- Seeking a wide range of community input from both individual citizens and groups with interests that include horticulture, the neighborhood, preservation, civic affairs, and philanthropy
- Operating with no preconceived outcome
- Providing not only vision, but also a specific plan
- Recognizing that the County has a window of up to five years to adopt, fund, and implement a plan
