

FRIENDS OF THE DOMES IMPACT REPORT

Thanks to donations large and small, the Friends of the Domes accomplished a tremendous amount this past year!

Provided
scholarships
for all virtual
field trips; 1450
students from
58 classrooms.

The number
of children
and adults
taught through
workshops and other
educational activities.

281

Supplemented
the plants and props
used in each of the five
Show Dome floral themes.

Funded ecologically sustainable
pest control
for the
gardens.

The number of
complimentary
memberships that
went to families in need.

22

Provided
outdoor grounds
maintenance, including
repair of the plaza fountains.

Provided dozens of free
family activities, educational
videos, and virtual
tours during quarantine.

Renovated the Education
Center, infusing the
space with interactive
and child-friendly activities.

Covered all maintenance
fees for the many small
animals who reside
at the Domes.

Funded professional
memberships, books, and
conference registration fees
for the Domes horticultural staff.

The Mitchell Park Domes represents a powerful tool for helping people – of all ages – cultivate a lifelong love of nature. Your donations provide the fuel for this important work.

A heartfelt thank you!
