

Fiscal Year 2023 IMPACT REPORT

Friends of the Domes' mission supports sustainable living as well as enhanced emotional and physical health for Milwaukee area residents. Thanks to you, we grew like wildflowers this past year.

CULTIVATING A LOVE OF NATURE: 200,010 visitors connected with nature during a trip to the Mitchell Park Domes (92% increase from prior year). This doesn't include the thousands of visitors who attended a private event.
FY24 Goal: Many more!

INTERACTIVE PLAY FOR FAMILIES: 30,100 family members visited The Domes' Education Center, staffed by our wonderful volunteers, interns and work study students (153% increase from the prior year).
FY24 Goal: 33,770 visitors

AN EARLY CONNECTION TO NATURE: 4,490 children and youth learned about the importance of plants and nature through the engaging School Field Trip Program (104% increase from prior year).
FY24 Goal: 5,500 youth

VOLUNTEER OPPORTUNITIES IN ALL SHAPES AND SIZES: 107 volunteers provided 2,491 of donated hours (representing \$79,229 in labor savings). These superheroes-in-disguise assisted with events, story time, gardening, staffing the Ed Center, and so much more (132% increase from prior year).
FY24 Goal: 3,300 hours

BOOSTING THE LOCAL ECONOMY: 70 South Side and local area artists and businesses sold their goods through events and The Domes' gift shop, elevating the amazing talents of local residents (180% increase).
FY24 Goal: 100 businesses

MEMBERS ARE THE HEART OF OUR MISSION: 4,160 families embraced wellness through plants with a Friends of the Domes membership (33% increase from prior year).
FY24 Goal: 5,500 members
